☎ (+61)0466983237 @ HELLO@HYPHENFROG.COM in /ADRIANPEDRAZAM

Hi, I am a frontend developer and UX/UI designer from Spain. With my Visa I can work at your company full-time for up to six (6) months, which is probably time enough for a small/medium project. I would love to help you in what I can, and learn as much as I can about from your company.

If you are interested, please, take a look and contact me if you have any question.
